SAFETY SOLUTIONS

# Safety Solutions

Covid-19 has changed the way every sector operates. As we collectively fight our way through this pandemic, remember the safety of staff and customers is paramount. In this regard, we provide our clients with Covid-smart solutions. These include touch-less infrared digital thermometers for temperature self-checks, touch-less hand sanitizer dispensers and our Smart Sanitizing Tunnel which is a fully automatic chamber that provides a full body mist sanitizing experience to anyone entering your facility.
